

Magnolia Moonlight (Secrets of the South Mysteries)

What Sinister Secrets Lurk in the Shadows of Yesterday? Natchez, Mississippi Private Investigator Nate Price and his new wife, Isabelle, need a vacation. Their coworkers generously team up to surprise them with a belated honeymoon...but the happy trip turns sour when Izzy spies her ex-husband, who appears to have taken up his gambling addiction once again. While the boss is away, Price Investigations remains in the hands of Beth Kirby, a former police officer, and Michael Preston, a former forensic accountant. Hardly a dream team, as Beth resents working with a man who has no experience in his new job. But Beth and Michael must move past their differences if they hope to uncover the truth behind a beloved Southern preacher's demise. The preacher's widow suspects foul play, despite the evidence indicating suicide. With tension escalating between these investigators and local law enforcement and new threats arising on all sides, will Beth, Michael, and Nate hold on to faith and bring the truth to light?
