

Master Potter and the Mountain of Fire

Master Potter and the Mountain of Fire
The first book, Master Potter, began in Comfort Cove, a quaint 19th century fishing village. A young woman named Forsaken, portrayed as a broken clay pitcher, met Master Potter. He changed her name to Beloved. Her journey from brokenness to divine destiny continues in Master Potter and the Mountain of Fire. Beloved and her friends are loaded on pottery wagons and taken to the dreaded Mountain of Fire. In this mountain kiln they struggle with heartrending issues of unforgiveness, suffering, sickness, needing miracles, and a friends moral failure. In the midst of the raging fires, Beloved travels through eternity in a crystal chariot. Ushered into astounding places-the Heavenly Library, the War Room, and a warehouse called Miracles Unlimited-Beloveds heart is transformed by the passionate love of Master Potter, the Bridegroom King.
