

Matched to a Billionaire (Happily Ever After, Inc.)

Wanted: one convenient wife. Venture capitalist Leo Reynolds is married to his work, but now he needs a wife. Someone to run his home, host his parties and accept a marriage that's strictly business. His one rule: love will play no part in their union. At least that's the lie he tells himself, until he meets his match. Enter Daniella White, handpicked by the matchmaker as the perfect wife. Marriage to Leo means security, and she's willing to give up passion for friendship. But the moment they meet, sparks fly. And now temptation and Leo's own heart have the billionaire ready to change all the rules.
