

## The Cowboy And The Virgin (Mills & Boon Vintage Desire)

VIRGIN TERRITORY All innocent Caitlin Delany wanted was to spread her wings away from home and begin life fresh. But from the moment she laid eyes on sexy, swaggering rancer Zach Haller, she lost her heart. She knew she had no business falling for a man whod sworn off commitment, yet he was the man she wanted to change her status as the last virgin in Texas.Zachs cowboy code of honor put young, inexperienced women strictly off-limits. But Caitlins provocative innocence brought the confirmed bachelor to his knees. In fact, resisting her virginal charms - and the temptation to wed her and bed her - was proving impossible .
