

## Memoirs of the Life of the Right Honourable Richard Brinsley Sheridan: Volume 1 (Cambridge Library Collection - Literary Studies)

Best known for *The Rivals* and *The School for Scandal*, Richard Brinsley Sheridan (1751-1816) was already a celebrated comic playwright when he entered Parliament in 1780. Turning his wit and talent as a writer to political oratory, he won acclaim for his speeches in the House of Commons. As an independent-minded Whig, he had to reconcile his distrust of monarchical power with his role as friend and confidant to the future George IV. Sheridan's was ultimately a turbulent life, rocked by affairs, heavy drinking and constant debt. This successful and influential two-volume biography, first published in 1825, was written by the poet Thomas Moore (1779-1852), who went on to chart the life of Lord Byron. Volume 1 covers Sheridan's early life and career as a writer, including extensive extracts from unfinished plays.
