

The Philly Commission Part-2: These Streets R Mine (Volume 2)

After the fallout between Bird and Tre, The Commission looks as if it might be falling apart. The brotherhood has been broken beyond repair and it seems as if everyone is scrambling to choose sides. Its hard to trust anyone, but like always, life goes on and so does business..... The heat is on for Tre and his team after the Tasker Street massacre. Everyone is looking for a place to hide out at except Tre. He doesnt change up his lifestyle one bit even thought hes a wanted man. He and Diana continue to have their every night get- high parties at their beach house. That is until things get very real for Tre and hes forced to flee his home in order to escape arrest. Tre and Diana look for a safe place to hide from the cops at while Tre plots on getting back at Bird and taking control of The Commission the whole time! Bird was rich enough to get out of the game and the streetlife for good, but the game kept calling him back. When the game called, Bird answered. Bird heads back to Philly in the hopes of putting The Commission back together. He hopes to make the squad better and stronger than it was before. Bird refused to let this thing that hed built from scratch die. He wanted to take things to the next level. To get to that next level he will need the help of the local mafia. That turns out not to be such a good idea and Bird finds himself in over his head this time. This will not be like a normal street war. This is a war that Bird comes to realize he is totally unprepared for! While off at college Man-Man meets a sweet girl named Jamisha. She appears to be a good wholesome girl who comes from a good family. Looks can be deceiving though! That chick is crazy! Jamisha becomes Man-Mans ride or die chick. Shes down for whatever and Man-Man falls head over heels in love with her. Hes sure that shes the woman he wants to spend the rest of his life with and sleep next to every night, but its kind of hard to sleep with one eye open every night! The Commission is

back in business and back to knocking any and all competition out the box. Some of the old enemies are still around and The Commission manages to make a bunch of new ones too! Control of the streets of Philadelphia is still up for grabs, and just like always, THERE CAN ONLY BE ONE WINNER!!!
