

Lone Wolf Standing (Men of Wolf Creek Book 3)

New York Times bestselling author Carla Cassidy brings her riveting Men of Wolf Creek series to a thrilling climax. Maybe it's just her imagination, but Sheri Marcolis is convinced she's being watched. With the disappearance of her aunt still unsolved, Detective Jimmy Carmanis isn't taking any chances. But sticking close to the vulnerable beauty isn't just a job. For the first time in his life, Jimmy is discovering feelings he thought himself incapable of. But the powerful attraction Sheri feels toward Jimmy is scaring her almost as much as her stalker. The swarthy, dark-eyed detective is nothing like the golden-haired prince she's waited for all her life. But as Sheri struggles to resist her overpowering desire, an evil madman is closing in on both of them. And make sure to pick up *A REAL COWBOY*, the first installment of Carla Cassidy's new series *Cowboys of Holiday Ranch*, only from Harlequin Romantic Suspense! Available March 2015!
