

## Mia and the Powerful Greek (The Balfour Brides Book 1)

While scrubbing floors, Mia dreams of a better life. Then she discovers she's a Balfour, the illegitimate daughter of one of the world's richest dynasties! Thrust headfirst into her new family's spectacularly glamorous lifestyle, she's scared. But then comes an opportunity to learn about high society, through the chance to work for Greek tycoon Nikos Theakis, who struggled his way up, himself, from the slums of Athens to Millionaires Row. Nikos has got where he is by always having taken what he wanted. Until Mia's sweetness and integrity stop him in his tracks.
