

Midnight Cinderella (Way Out West)

WAY OUT WEST LONE-STAR LONER? Nathan Jones was the richest rancher around but he was the outcast of Bitter Creek, Texas. Once his hometown Prince Charming, his love for the wrong woman had cost another man his life. Now a fallen hero, Nate swore no one would ever break through the impenetrable fortress he'd built around his heart. But Nate had never counted on the sweet beauty of Hannah McBride. What was it about his injured brother's nurse that had Nate hungering for her healing touch? Even though her innocent heart was as transparent as a glass slipper, hadn't Nate learned there was no such thing as happily ever after? Because there's nothing like a cowboy.
