

Midnight Promises

In their race for the truth, love must prove more powerful than Americas worst enemy. When a gorgeous, bleeding woman on the run falls into the arms of Sean Metal OBrien, the former SEAL medic knows just what he can do. Heal her. Tend to her. Keep her safe. What he cant seem to do is keep his guard up. Something about the haunted, hunted beauty knocks down all his defenses. Felicity Ward is no stranger to secrets. She was raised in the Witness Protection Program, and her whole childhood was a lie. But she couldnt have known that her familys secrets, secrets she didnt even know she was keeping, could spark a nuclear war. And nothing could have prepared her for the tough, sexy warrior who first saves her life and then vows to protect it no matter what.
