

## Millionaires Last Stand (Small-Town Scandals Book 1)

There are plenty of people in Serenade with motive to murder Teresa Donovan. But no one doubts that her estranged husband, Cole, killed her. No one except FBI profiler Jamie Crawford. Though their electrifying attraction threatens her objectivity, Jamie's unerring gut tells her the magnetic tycoon is innocent. Cole's disastrous marriage has shattered his trust. But in Jamie's alluring presence, his protective armor melts away. Now, as their mutual fascination ignites into a mind-melting attraction, a killer is targeting Jamie. And Cole will risk anything to protect the woman who's restored his shattered heart.
