

Millions to Spare (Thoroughbred Legacy)

Reporter Julia Nash has waited years to join the top ranks of investigative journalists. When a trip to Dubai reveals the key to a mystery in the world of Thoroughbred racing, Julia finds her chance. But then she's caught snooping and held in the sole custody of Lord Harrison Rochester! As long as it takes. That's what Harrison vows when he keeps Julia at his desert estate. He'll discover what the beauty has been up to even if the search leads to an attraction neither expected. But when Julia's safety is compromised, they must say goodbye or I do.
