

## Love T.K.O. (Mills & Boon Kimani) (Kimani Romance)

Stunning Yasmin Ohaji is every mans fantasy, but the popular marriage counselor is too busy to bother with romance. Still, Rashawn Bishop isnt giving up. The pro boxer is wooing her with finesse and fancy footwork, and his powerful build makes her weak in all the right places. Hes definitely not her type, but shes deliciously tempted. Rashawn cant sleep, cant train and cant concentrate all because of Yasmin. When hes not coming up with ways to show her theyre not so different, hes dreaming of possessing every inch of her luscious curves. And when Yasmin finally surrenders, she becomes his everything. But love means making choices. Now, with his career on the line, will he follow the lure of boxing or the woman he cant live without?
