

Michaels Temptation (Mills & Boon Desire)

A covert rescue mission left special forces operative Michael West stranded in a tropical wilderness with beautiful Alyssa Kelleher. The military renegade was to deliver the damsel to safety, but his instincts insisted on another destination his bed. Michaels strict code of honor kept his hunger for Alyssa in check until one torrid kiss toppled all reason. Loving Alyssa opened a door to unrivaled intimacy, and Michael vowed to make the fiery widow his wife! For she was his temptation, and how better to live with fervent desire than to fulfill it night after night after night?
