

The Arrangement: Miss Black 3 (Kindle Worlds Novella)

From the New York Times bestselling author of Saltwater Kisses...In the thrilling conclusion to the Miss Black trilogy, Miss Black gets the opportunity of a lifetime. However, it will cost her the thing she holds most dear- her relationship with Sean Ferro. She thinks that she can play both sides, but she doesn't quite know how. Everything changes when the man that she's been running from for the past ten years finally catches up to her. In an instant, her hopes for a new life with Sean seem to be crushed. The man she thought she had escaped from makes it clear that Miss Black belongs to him and always will. Fearing for her life and the lives of those she loves, Miss Black must choose her fate. Will Miss Black choose Sean, or will she change from a lovestruck woman to the feared Madame of New York City? This story can be read without prior knowledge of The Arrangement, however some parts that are referenced will be more enjoyable if you are already familiar with H.M. Ward's bestselling serial.
