

Mistress to the Merciless Millionaire (Quinn Siblings Book 2)

It's been ten years since Tiarnan Quinn humiliatingly rejected Kate, and she's still smarting. As a famous model she can have any man she wants. But there's something about the coldhearted millionaire that makes her go weak at the knees. So much so she agrees to jet off to his luxury villa in Martinique. Kate knows Tiarnan can't give her what she wants: true love and a family. But as the sultry nights close in she begins to see hints of a different man beneath the hard exterior.
