Anna is tired of the horrible comments and pitying glances. So she has a limp, does that mean she cant find love? Encouraged by her best friend Jolene she applies at the Pioneer Brides Mail Order Bride Agency. At last she will meet a man who will not be surprised by her bad leg. But Mrs. Hawkins has run the Mail Order Bride agency for years. She knows what men want and she wants to help this precious little flower who is so in need of love. A little rub of the eraser and Anna looks a much better candidate. Anna travels west to meet the Gellman brothers but they are surprised by her limp. How will they cope with the knowledge? Do they think she lied and will they send her home? Anna finds herself spending a lot of time with the younger brother. For the first time in her life a man is treating her with respect.
