

Heart to Heart Stories for Moms

Heart to Heart Stories for Moms is a deeply moving collection of stories about the strongest, purest form of love in the world--the love of a mother. These timeless tales of mothers, stepmothers, surrogate mothers, and mentors will inspire laughter, tears, and thoughtful reflections about the importance of the kind of nurturing only a mom--or mother figure--can give. Includes colorful interior and illustrations. Long ago, Mrs. C. T. Cole said it best: `The mothers face is the childs first heaven. This collection of stories is about the many faces of mother-love that constitute a childs heaven. I hope that, in reading them, you will better understand what it is that God intended a mother to be in her childrens lives. --Joe L. Wheeler
