

## Mountain Homecoming (Smoky Mountain Dreams)

In the second book in the Smoky Mountain Dreams series, acclaimed author Sandra Robbins spins a tender tale of Gods faithfulness throughout the generations. Rani Martin, Simon and Annas only daughter, is a beautiful and spirited young woman living deep in the heart of the Smoky Mountains. She has plenty of ideas about the man shell marry someday, but none of them could have prepared her for the return of Matthew Jackson. Matthew left Cades Cove as a child after his fathers death. Now hes come back to build a new life for himself, and its his dearest wish that Rani be a part of that life. But the people of the Cove wont let him forget the sins of his father, and Matthew cant forget the darkness of his own past. Is there a place for Matthew in the Cove? And can the light of Ranis love overcome his pain?
