

## Review of The Nightingale

This is not the original book *The Nightingale*. It is a review/summary of the original. Now, make reading better with *Review of The Nightingale* by J.T. Salrich. As soon as it was published *The Nightingale* became an instant Classic that has touched the hearts of millions of readers around the world. When you read this companion guide you will get a deeper understanding of the characters and plot found in *The Nightingale*, as well as the themes included in the novel. You also get a detailed chapter by chapter breakdown and analysis of the events as they unfold along with a glossary of the important characters and terms used in the original book. Just in case that's not enough for you I've also included a list of possible study questions (book club discussions topics) from the book. Wrapping it all up is a discussion of the critical reviews for *The Nightingale* as well as my overall opinion of the book. Plus much more! This review/summary fills in the gaps, helping you understand more while enhancing your reading experience of the original book. Whether you're reading this for a book club, school report, or just want to find out what happens before diving into the full length book, you can use this book review and study guide to get the most out of your experience reading *The Nightingale*.
