

A Question of Murder (Murder, She Wrote Mysteries)

Jessica is invited to join other crime writers at an interactive murder mystery weekend in a historic mansion turned resort. A theatrical troupe presents a play for the paying guests, but a young actors death during the actual performance isnt part of the script. The local sheriff has never investigated a murder before and enlists Jessicas help and expertise. As she begins to put the pieces together in her folksy fashion, Jessica recognizes that this could well be her last performance if she doesnt uncover the killer soon.
