

Angel:Reversed (A:R Earth 1) (Angel: Reverse Earth)

Romance and danger in a world where demons inspire killers, and angels inspire forbidden lust. When Detective John Stonebrooks friends hire a male stripper for his fortieth birthday party, his life takes a strange turn. For the stripper is Finn, a vibrant, headstrong Angel who has accidentally been bound as the Guardian Angel of a serial killer, possibly the same killer who murdered Johns wife and daughter. John is a man with a death wish. Hes also a man who believes he knows himself completely. But meeting Finn changes everything, because John begins to feel things for the red-haired stripper that hes never felt for any man: dirty things. Romantic things. Impossible things. John doesnt understand how a pretty young man can keep him awake at night, aching with forbidden lust, but theres no denying that John cant resist Finn even if Finn appears to be connected to death and danger. Finn isnt supposed to be on Earth. His lover is elsewhere. Above. But when he meets Detective Stonebrook, Finn begins to believe that maybe hes meant to be among humans after all. He tempts John and coaxes John, convinced he can help the detective by overcoming his inhibitions. But life as an Angel on Earth is difficult. Molested and harassed by Demons, Finn is on the verge of breaking. How long can a sole Angel hold out against the forces of evil? And is he wrong for tempting John with a desire the detective has never known? As John battles his unexpected feelings for this young and beautiful male, and as Finn struggles to protect a man who may be a murderer, they are hounded by creatures of the dark that seek to drag both Angel and detective down to the horror of the Beneath. A sexy m/m gay romance with elements of kink. Read all the book in the A:R Earth series!
