There's something here for everyone! It was as if Fate wanted them to meet Fiona: I mean what sane person does that? Picking up a job Ad in the forest during a hike and going for the interview! I should have known with my luck record that it all led to one thing meeting him. The biggest threat to me, my body and my morals. One of them being that I don't sleep with bosses! But he is so irresistible and I can't resist any longer. And his name is Alexio Ashwood, the CEO and Billionaire of Ashwood Enterprise and my boss. Alexio: I am a very dangerous man full of secrets that can blow your mind. But I don't mind letting you in on one of them, as long as you don't tell my little human prey, Fiona. I am an Alpha Lion Shifter and the next heir in my pride, but ran away to become a Billionaire and my past still follows me. As for that woman, she is like a drug that I can't resist. She is my prey and the Lion in me wants to devour her wholeheartedly. But then again, she is my dark beauty and I'm her Lion Beast. WARNING: This eBook contains mature themes and language. Intended for 18+ readers only! ** KINDLE UNLIMITED READERS READ FOR FREE **
