

Selling Herself

Hard times make for hard choices. Diana is about to lose everything she's worked eight years to achieve. Her friend Ashley offers her a chance to save herself, possibly at the cost of losing herself. Will she take it? Should she? And then, against all odds, she meets her soul mate, Gavin Neal. He's gorgeous, sexy, and everything a woman could want. But can he give up his globe-trotting, a new-woman-every-night ways for her? Can he forgive the lifestyle she's adopted in order to make ends meet? Is their love strong enough to make him want to try?
