BOOK TRAILER:  
<https://youtu.be/41TVh-9mvI4> This is Part 2. According to the terms of her mothers will, Ashly cannot cash in on her inheritance until she and Jake travel to nearly a dozen locations around the globe. The thought of pairing up with her old flame makes her blood boil, but she has little choice other than to put up with her despicable ex. Can Ashly put up with Jake through her globe-hopping scavenger hunt to get her family fortune? Will she ever be able to forget or forgive being dumped on her wedding day? When wounds run so deep, is forgiveness even possible between old lovers? Or is it, Goodbye! all over again, after everything is said and done? For mature readers only.
