

Imaginary Jesus

Imaginary Jesus is an hilarious, fast-paced, not-quite-fictional story that's unlike anything you've ever read before. When Matt Mikalatos realizes that his longtime buddy in the robe and sandals isn't the real Jesus at all, but an imaginary one, he embarks on a mission to find the real thing. On his wild ride through time, space, and Portland, Oregon, he encounters hundreds of other Imaginary Jesuses determined to stand in his way (like Legalistic Jesus, Perpetually Angry Jesus, and Magic 8 Ball Jesus). But Matt won't stop until he finds the real Jesus and finally gets an answer to the question that's haunted him for years. Be warned: Imaginary Jesus may bring you face-to-face with an imposter in your own life.
