

My Love - Bobby & Sophie: A Crossroads Novella

Do you believe that opposites attract? Well, Bobby and Sophie Sloan sure put that theory to the test. As the youngest of the Sloan boys, Bobby never said much. But when it came to wife, he was always quick to express his love and devotion. Sophie's lovable, animated soul complemented his strong, silent demeanor perfectly. Together, Sophie and Bobby were a match made in heaven. Their uncomplicated marriage was full love, trust, and unconditional support. But when life-altering news threatens to change the simplicity of their lives, only they will be able to decide if they can accept this new change with love, or with fear and doubt. Finally see inside the love that first welcomed us into Harpers Crossing
