

Lesbian: FF Romance: HOT MESS! (LGBT, Fantasy, Bisexual Romance) (Lesbian Romance, Taboo, FF, Forbidden, LGBT, new adult short stories)

She Opened Mia Up to a Whole New World of DIRTY When Mia first notices the Red One amongst the shelves, she begins to feel something she hasn't in a long time. With a little encouragement, she may even become bold enough to ask the girl out. The Red One has other plans. When the Red One corners Mia in a dark corner of the bookstore, she can't help but play along with the woman's advances. The world moves for Mia, opening up a world of experience she hasn't found in a long time. And then she's gone. Pining for her lost love, Mia changes careers, searching out a safe haven where she won't be constantly reminded of the Red One and their time in the erotica section. When the Red One resurfaces, Mia must make a choice: rekindle the lust she felt with the Red One, or move on and hope she can find love somewhere else. Only one choice will lead to her happiness. But is it the right one? DOWNLOAD NOW TO FIND OUT WHAT HAPPENS!
