

The Nanny Solution (Mills & Boon Cherish) (Mills & Boon Special Moments)

Sit. Stay. Roll over. Good boy. Well, these commands worked for the puppy. Unfortunately, Audrey Grahams new boss was not so easily tamed. After a difficult year, she needed to get back on track and accepting a job as dog nanny for millionaire businessman Simon Collier was the first step. But Simon, like the incorrigible puppy he'd bought for his young daughter, had a mind of his own. He was gorgeous, sexy and got what he wanted and he wanted Audrey. Could Audrey really hold out against his irresistible charm and did she really want to?
