

The One That Got Away and Changing Tides Box Set

For the first time read both *The One That Got Away* and *Changing Tides* together in this all new box set! *The One That Got Away*: There will always be that one special someone, waiting and wandering through each person's memories, immortalized by a summer love that has long since passed. For young and charming socialite, Christina Williams, her struggle with living the status quo and meeting her family's expectations is further challenged one fateful summer afternoon, when she stumbles across Elizabeth Baker, a shy and artistic beach beauty who turns Chris's life completely upside-down. Pushed together by a passionate summer romance that they each long to turn into more, they end up torn apart by greed and treachery that forces each woman to reevaluate what is truly important in their lives. Finding that they must either embrace the moment or lose it forever, each make critical decisions that take them on very different paths. As years pass, fate finds a way to bring Chris and Liz together again, but with turned tides and scarred hearts, they must learn how to either trust again or let this second chance at love be their last. *Changing Tides*: In the unfolding tale of *The One That Got Away*, we fell in love with Chris and Liz, the young couple whose story took us from unbelievable highs to sorrowful lows and back again. We watched new love blossom and then be ripped apart by forces outside of their control. Years later, as fate took a kinder turn, they got a rare second chance at a happy new beginning. Now, follow the loving family as they embark on their most memorable quest yet. With a child in junior high school, a best friend getting married, and managing a restaurant that never seems to run quite right, will everything work the way they planned? Family conflict, disaster, and turmoil never seem to be too far away from the duo, and the results of these dramatic events will prove if the couples' love can either change

with the tides for the better, or all fall apart. Continue the journey with the beloved returning cast of characters in this highly anticipated sequel to The One That Got Away, Changing Tides.
