Sweet Savagery: Jessica Savage agrees to spend a weekend at the summer home of her boyfriend Todds family but, once there, the regular girl realizes just how unwanted she is by the ultra-rich, ultra-snobby Eldermore tribe. After Todd abandons her for the day so he can play golf and spend time with a woman his family deems far more suitable Jessica ends up on the back of a motorcycle with his black sheep cousin, the devastatingly handsome Sebastian. Its a ride she will never forget as Sebastian leads her down a path filled with adventure and passion. Broken Submission: Maxwell Craig was Lilys one secret obsession... He was well beyond her reach, a man of style and means. He was also the best friend of her boss and Lily knew she was foolish, longing each night for Maxwells touch, his kiss. But then Lily was just a simple girl with no love life to speak of, so who could blame her for wishing? And yet when fate brings Maxwell into her path in the most unexpected of circumstances, Lily begins to wonder if it was best to never get what you most desire. Justified: Callie Richards is smart, funny, beautiful and very tough. Shes not looking for anything, especially love. She has everything she needs and wants already including a fabulous home, a great job and freedom. Jax Derringer is a self-made man, a bad boy billionaire who took his incredible winnings at the tables in Vegas and turned them into a staggering fortune. His past has taught him to trust nobody and to never believe in love. The two of them meet during a wild night in Vegas and after a steaming one-night stand they part ways, thinking that they will never see each other again. To their chagrin they find that avoiding each other is almost impossible and whats more, neither of them can resist the out-of-control passion
