

## Treason (Navy Justice, Book 1)

The stakes are high ... and the entire world is waiting for the verdict. The Navy has uncovered a group of radical Islamic clerics who have infiltrated the Navy Chaplain Corps, inciting sailors and marines to acts of terrorism. And Lieutenant Zack Brewer has been chosen to prosecute them for treason and murder. Only three years out of law school, Zack has already made a name for himself, winning the coveted Navy Commendation medal. Just coming off a high-profile win, this case will challenge the very core of Zack's skills and his Christian beliefs that could cost him the case and his career. With Diane Colcernian, his staunchest rival, as assistant prosecutor, Zack takes on internationally acclaimed criminal defense lawyer Wells Levinson. And when Zack and Diane finally agree to put aside their animosity, it causes more problems than they realize.
