

Zohar XIV (Spanish Edition)

Rabi Simon Bar Iojai y sus alumnos siguen analizando, investigando y desmenuzando los temas mas profundos y hermeticos de la existencia humana, tal como la creacion del mundo conocido y de todos los mundos espirituales que le procedieron; el origen y la conformacion de las almas y sus reencarnaciones; la vida despues de la muerte o el sentido de lo Masculino y lo Femenino. Repleta de enseñanzas y relatos, cargados de una fuerza vital impetuosa, la lectura de El Zohar modifica y transforma la vida de las personas, algo que solo puede atestiguar y transmitir quien se haya prestado a esta increíble vivencia de Luz abrasadora. / This Volume XIV, referring to the second half of the section of Terumah, tell us about the mystery of the Tabernacle. In the Tabernacle, we find God dwelling among his chosen people. Let them construct a sanctuary for Me, that I may dwell among them. According to all that I am going to show you, just so you shall construct it (Exodus 25:8-9).a
