

?Por que chocan Marte y Venus? (Spanish Edition)

In today's hectic and career-oriented environment, relationships have become a lot more complicated, and men and women are experiencing unprecedented levels of stress. Backed up by groundbreaking scientific research, Gray offers a clear, easy-to-understand program to bridge the gap between the two planets, providing effective communication strategies that will actually lower stress levels. Whether in a relationship or single, this book will help both men and women understand their new roles in a modern, work-oriented society, and allow them to discover a variety of new and practical ways to create a lifetime of love and harmony.
