

THE MERGER

Business minded Spencer Benson only sees the bottom line getting bigger when he begins merger talks with another family owned company. However, headstrong lawyer, Julie Jacobson, is determined to be very thorough with the merger, which throws Spencer off his game. Spencer makes no qualms of his dislike for Julie, but when she comes to him for help he finds perhaps shes not quite the menace he thought she was. In fact, his feelings for her change completely. But when he finds that someone has used the merger to stab him in the back whom can he turn to when Julies name is associated with the deceit?
