

Nibiru Vampire Warriors - Chapter Twelve (Blood Slave Book 12)

earth...but can they ever find lasting happiness? In this exciting, action-packed instalment, Stride and Zero are reunited, and Strides son is now a teenager who is questioning his sexuality. Things happen fast with the intervention of good and bad entities and an ancient Greek mythological deity. The planet Earth is re-inventing itself as the three men take up residency in this strange new world. Forgetting the past is a natural human phenomenon, but for the vampire family, its a dangerous path to tread. Zero finds his work as a star fleet commander comes in handy as he takes a job flying an air taxi. Stride too finds employment befitting his unusual skill set as the self-deposed king of the underworld. However, death and danger still lurk and a surprising enemy threatens not only the small family, but all of humanity as evil begins its dark and ugly uprising. Who can they trust and can they survive this latest threat?
