

Night Game: Number 3 in series (Ghostwalker Novel)

Gator Fontenot of the Special Forces paranormal squad can't refuse an urgent request to save the elusive Iris Johnson, a victim of the same horrific experiments that warped Gator. Now unleashed, she's a flame-haired weapon of unimaginable destructive powers, a walking time bomb bent on revenge in the sultry bayous of New Orleans, and hunted by a shadowy assassin. It's Gator's job to reel Iris in. But can two people haunted by violent betrayals trust the passion that soon ignites between them? Or is one of them just playing another seductive and deadly night game?
