

No Place Like Home

Kaye Reardon and Graham Forest make a perfect couple all they need is the perfect house so they can marry and live happily ever after. But there are no houses which suit both Kayes taste and Grahams list of requirements. Real estate agent Brendan McKenna is no help at all in fact, instead of finding Kaye the perfect house, he seems to think she should be looking for a different man. And though Kaye knows Graham is the sensible choice, she cant help wondering if the reason shes so hard to please has more to do with Brendan than with houses!
