

No Reservations (A Salon Games Novel)

Play by the rules and you'll never get what you deserve. Tyler Golden is all about control. It's an attitude that helped him and his brother build Haven, a boutique hotel in Philadelphia. The only thing Tyler couldn't control was his fiancée's death. It left him emotionally guarded, and willing to go only so far with women: satisfying his sexual needs. Kate Song knows the feeling. Her sole focus is her dream to be a lingerie designer. She's not about to be distracted by any man. No matter who he is. Or how demanding. Or forceful. Or captivatingly sexy. Or so she thought. Tyler has the power to make her dream come true. Who can say no to such a dominating personality? Who would want to? Not Kate. Offering her body for submission is one thing. But giving her heart and soul is another. Now Tyler may discover that the one woman who taught him to love again is the one woman he might not be able to keep.
