HONEST ILLUSIONS: As the daughter of a world-renowned magician who is equally accomplished as a jewel thief, Roxy Nouvelle inherits her fathers genius. Dashing escape artist Luke Callahan also possesses a gift for relieving the wealthy of their valuables. Brought up together, Roxy and Luke are partners first in illusion, then in crime, and finally in passion. But the shadow of his past stalks Luke
MONTANA SKY: When Jack Mercy died, he left behind a lot of enemies ...and a ranch worth nearly twenty million dollars. Now his three daughters - each born of a different marriage - are gathered to hear the reading of the will. But before any of them can inherit, they must live together on the ranch for one year. Now they face a challenge: to put their bitterness aside and protect each other from danger.
CAROLINA MOON: Tory Bodeens father ruled with an iron fist and a leather belt. But she had Hope - who lived in the big house, just a short skip away. After young Hopes brutal murder, Torys life began to fall apart. Now, as she returns to the tiny town of Progress, South Carolina, she is determined to find a measure of peace. As she forges a new bond with Cade Lavelle - Hopes older brother - she isnt sure whether the tragic loss they share will unite them or drive them apart.
