

Not Quite Forever (Not Quite series)

The touching and heartwarming fourth novel in the wildly popular Not Quite series from New York Times bestselling author Catherine Bybee. Romance author Dakota Laurens believes that happily-ever-afters exist only between the covers of her sexy novels. But to her surprise, she finds a real-life hero when she meets a handsome emergency room doctor. The outspoken author feels an instant and intense attraction to Dr. Walt Eddy, and the feeling is mutual. When the globetrotting doctor pulls a disappearing act on Dakota, she's prepared to write him off until fate brings a blindsiding twist to her story. Still scarred from a past tragedy, Walt may have disappeared on Dakota, but now he's determined to win her back. For the first time in years, he knows he's ready for a new chance at love. Yet between Dakota's doubts and two sets of meddling parents, can the once-blissful couple finally create the bright, loving future they desperately want?
