

Nothing But Trouble (Mills & Boon Vintage Desire)

Jail Local lawyer Peyton Rand should have left tempting troublemaker Tallie Bishop in the local hoosegow for as long as possible! That way, shed keep out of trouble and away from him. Instead, he bailed her out, just like hed been doing for year. But as far as Peyton was concerned this was the last straw! But that was easier said than done. Tallie had been chasing Peyton around since they were kids, but suddenly this kid had grown - and in all the right places, too. And suddenly Peyton found that it wasnt going to be easy getting Tallie out of his system - or out of his life.
