

Nothing but Trouble: 1 (PJ Sugar)

Its not fair to say that trouble happens every time PJ Sugar is around, but it feels that way when she returns to her home town, looking for a fresh start. Within a week, her former teacher is murdered and her best friends husband is arrested as the number-one suspect. Although the police detective investigating the murderwho also happens to be PJs former flameis convinced its an open-and-shut case, PJs not so sure. She begins digging for clues in an effort to clear her friends husband and ends up reigniting old passions, uncovering an international conspiracy, and solving a murder along the way. She also discovers that maybe God can use a woman who never seems to get it right.
