

Mistress by Midnight (Scandalous Women of the Ton, Book 3)

To have one unfaithful wife could be construed as a misfortune. To have two would be worse than careless. London, November 1814 Merry Fenner is on a mission to ruin the Duke of Farne. A beautiful bluestocking with a penchant for justice, Merry has waited ten years to satisfy her revenge against sensual, mysterious Garrick Northesk. Her family name had been tarnished at his hands, her life destroyed. And now she intends to return the favour by finding the true heir to the dukes title and disinheriting Garrick. Yet when a disaster traps Merry and Garrick together, white-hot desire stirs between the two sworn enemies. Her reputation utterly compromised, Merry is forced to do the one thing she cannot bear: accept the scandalous marriage proposal of the man she has vowed to ruin.
