

Health and Social Care NVQ 2: Candidate Handbook

This practical UK candidate handbook by leading author Mark Walsh and a team of experienced NVQ (National Vocational Qualifications) tutors heralds a new approach to Health & Social Care NVQ level 2. Health and Social Care NVQ 2 provides all four mandatory units along with coverage of six optional units. Reflecting the UK workplace, the authors have focused each unit on a discrete area of care, which provides a natural and intuitive learning framework.
