

## Odd Man Out [Cade Creek 10] (Siren Publishing The Stormy Glenn ManLove Collection)

[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Alternative Romance, M/M, HEA] Asked to look into a suspicion of abuse, Bear Black finds himself more intrigued by the man he is investigating than he really should be, especially considering the man is married. When he suspects that Andrew has been attacked, Bear goes in for the rescue and finds a man that calls to his soul as much as his protective instincts. Dr. Andrew Sutherland has spent the last three years in hell, never knowing when one wrong move might end in another beating. Hiding his abuse from the world has become so common place, he doesnt even think of how odd his behavior might look to the outside world. When hes rescued from the latest attack by a man right out of his fantasies, Andrew doesnt know whether to submit to the desire he feels or run for the hills. But when his actions put Bear in danger, will Andrew be strong enough to stand up and protect the one man that has come to mean the world to him or will his fear prevent him from keeping Bear safe?
