

Off Screen

To the world looking in, actress Emma Bronson has it all; fame, talent, wealth, and beauty. But, Emma spends most of her nights alone wondering how her life became so secluded. Surrounded by people constantly, she remains lonely. Skeptical of peoples true motives, and guarded in her personal attachments; it seems the one thing Emma craves most in life is destined to allude her; love. Addison Blake is a charming and witty aspiring writer. She sees life as an endless adventure full of possibility and prides herself on taking chances. When Addison accidentally collides with Emma; sparks immediately ignite. Friendship and companionship are rivaled by an attraction that neither woman has ever experienced. But, Addison seems reluctant to pursue a romantic relationship with the popular television star, challenging Emma to finally demolish all of her self-imposed walls. Off Screen is the story of two womens discovery of love and passion and the courage to embrace both.
