

The March East 1945: The Final Days of Oflag IX A/H and A/Z

During the final days of the Second World War, for 900 Allied officers held by the Germans in Oflag IX A/H and A/Z, freedom was still a world away. This book draws on official and eyewitness accounts, as well as over 30 diaries and memoirs, revealing the human story that unfolded in the last days of the war.
