

The Sword of Suffering: Enduring Words of Hope, Inspiration, and Healing in the Midst of Despair

What do you do? Where do you turn when the world around you seems to disintegrate? Where do you turn for help when you're left asking life's tough questions such as Does God really hear me? or Does He care? The psalmist's answer is God is our refuge and strength, a very present help in trouble. Therefore we will not fear... (Ps 46:1-2). For author/preacher Dr. Stephen F. Olford, the psalmist's words have left a profound impact. Having battled cancer and having survived the lonely valleys of physical and mental anguish and the spiritual battles that coincide with sickness, Stephen Olford now delivers a book that offers a candid look into the presence and purpose of God in suffering.
