

Oliver Twist: A Devotional (The Gospel According to the Classics) (Volume 2)

Oliver Twist a devotional is the second volume in The Gospel According to the Classics series. It includes the entire text of Charles Dickens classic story of mystery and mischief, murder, madness, and munificence set amidst the squalor and splendor of not-so-jolly Victorian England and in the shadow of the gallows. After each of the 53 chapters is a personal devotional to help readers deepen their intimacy with Jesus Christ and better navigate the Kingdom of God. This enlightening and provocative devotional is best enjoyed beside a comfortable fire on a dark and stormy night with a nice cup of tea.
